<https://github.com/MahmoudALhaddad> Amman, Jordan

SUMMARY

Motivated junior web developer with hands-on experience in building full-stack applications using modern JavaScript frameworks. Proficient in Node.js, Express.js, PostgreSQL, and React. Strong understanding of frontend development with a keen eye for responsive design and clean UI/UX.

Completed an intensive full-stack bootcamp focused on Django, databases, and modern web practices. Led frontend development for major events and contributed to impactful web projects during university and volunteer work. Seeking an opportunity to grow in a collaborative and fast-paced team environment.
